

16th Infantry Regiment Association

Our Mission: Provide a venue for past and present members of the 16th Infantry Regiment to share in the history and well-earned camaraderie of the US Army's greatest regiment.

The objectives of the Association are:

- Honor, communicate, and perpetuate the Regiment's past history and present service.
- Support the Soldiers and families of the Regiment's active duty battalions especially during deployments.
- Provide financial assistance to selected active duty Soldiers and their families at Christmas and, when requested, provide assistance to selected active duty Soldiers for other special circumstances.
- Increase awareness of the Association and its activities and benefits among current and former members of the regiment.
- Support the annual Distinguished Member of the Regiment (DMOR) Program.
- Maintain a comprehensive Association website that informs current and former 16th Infantryman of the Association's activities and heralds the accomplishments of the Regiment and its members.
- Generate revenues to support the Association's mission and achieve its other objectives.

Your \$25 goes to support these objectives.
